**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a current Sonic customer and have been customers of both AT&T and Cable Providers from Viacom, Time-Warner, Comcast...(whoever had the monopoly in San Francisco at the time) for almost 40 years. Sonic is by far the best experience Ive had with a media provider. Their Pricing is fair and straightforward plus the customer service beats the Big player Operations hands down. I support companies like Sonic because they bring value, competition and integrity to the market place which greatly benefits us consumers. Power plays by Large Corporations to maximize profit never benefits the consumer.
